

SPECIAL SUMMER FOR TEEN CAMPERS!

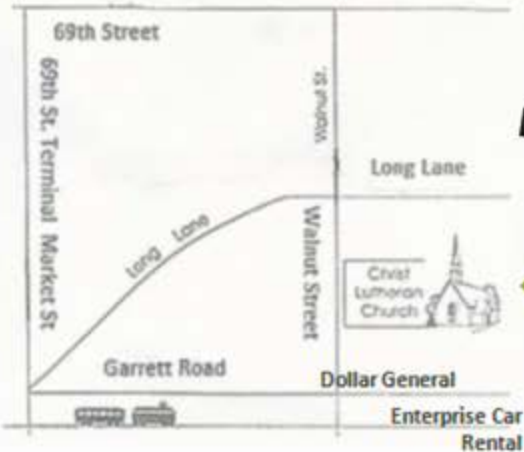

For the 14th year UDCOC will offer a summer experience for 13 and 14 year old young people... We call this our

COMMUNITY ACTION TEAM

Part of the UDCOC Camp Mission is providing young people service-learning experiences and opportunities to give back to the community.

A portion of each week is devoted to service projects such as assisting in a local homeless shelter, assisting seniors, providing volunteer help at local schools and churches, helping keep our neighborhood free of litter, and other group activities.

In addition, CATS takes weekly field trips to amusement parks, and experiences a variety of other activities such as concerts, bowling, roller skating, and other special activities. This group is constantly on the go! Weekly fee is \$150.

We are easy to find!
Here's where the fun is happening!

UDCOC Summer Day Camp 2017

at Christ Lutheran Church
7240 Walnut St. Upper Darby, PA

Our 24th year!

June 12th - August 11th

Small Camp. Big Program.

Frequently Asked Questions

Who makes up the Camp Staff?

Our camp is staffed with a director, administrator, program coordinator, nurse and food service director. In addition, each classroom has a certified teacher/mentor, college mentor and high school student assistant. Most of our college staff are working towards a degree in education.

All staff are screened through reference checks including child abuse clearances, criminal background checks (if over 18) and attend special orientation sessions that include basic first aid procedures, child abuse prevention and recognition, program planning, age appropriate activities, and character development awareness. We place a high value on each member of our staff being a good role model.

What is included in each week's schedule?

Each day includes breakfast, lunch, morning meeting with counselors, small group times for academic enrichment, recreation time, and group activities such as games, skits, crafts and more. In addition, campers swim twice a week, meet special guests, participate in special events and go on a full day field trip once per week. The summer also provides small trip opportunities such as skating, summer stage, Mann Music Center performances and MORE!

What are the expectations regarding behavior?

We expect that everyone, children and staff alike, relate to each other according to values that reflect respect, honesty and responsibility, and in ways that communicate dignity and concern for others. Rules and behavior guidelines will be provided in the parent handbook as well as a basic rules agreement to be signed by parents and campers.

When are my camp fees due?

A non-refundable \$50 registration fee is due when submitting your child's application. Weekly fees are due the Wednesday BEFORE each week that you child attends. So the first payment is due before camp begins... Then Wednesday of week 1 the payment for week 2 will be due and so on...
